Council Discussion

**All Items were approved to be moved to June's Agendas.*

Plans Review Fee Schedule – The City doesn't currently charge for reviewing development plans, but City Manager Jeff Mikorski introduced a fee schedule to raise revenue.

Authorization of an Easement within Krepps Park Realty – A resident needs an Easement agreement with the City since the stormwater line is on Krepp's Park Property.

Amending Building and Housing Code as it applies to Carbon Monoxide Detectors – new State Carbon Monoxide Detector laws means the city is updating its code to reflect those changes.

Amending Airport Lease Agreement for Army National Guard Band – the band's lease is now monthly until it moves into the Natinal Guard Readiness Center when it opens this fall.

Boards & Commissions Update

The new City Council will discuss how Board memberss & Commissioners are chosen and determined during their first meetings. Expect the latest openings and opportunities in the July 2 Council Connection.
